

**Ada Christian School (ACS) Parent Teacher Organization (PTO)
2018-2019**

Dear Parents,

The Ada Christian PTO extends a warm welcome to those of you who are new to our school, and a “welcome back” to all those returning for the 2018-2019 school year. We are excited to begin another wonderful year at Ada Christian School.

The PTO is a volunteer organization made up of parents, teachers and administrators all dedicated to the successful education of our children. The purpose of our organization is to aid the students and staff by providing support for educational and recreational needs and to encourage ACS school spirit and pride. The ACS PTO works hard to help make the school year both enjoyable and exciting for students, teachers and parents. It is our mission to support our teachers and staff in delivering our school’s mission – To equip students for service in God’s world.

We are looking forward to meeting families, parents and grandparents who would like to get involved with our PTO this school year. We encourage all of God’s people to get involved! Everything we do is powered by volunteers and we are always seeking those who would serve to make a difference in the lives of our children. Every positive imprint we make on our children is a lasting part of their happy memories during their school experience.

Our calendar lists the many events we have planned for the upcoming school year. Keep in mind that by volunteering, you have the opportunity to interact with the students, become friends with other parents, and work together to accomplish goals that truly make a difference.

To volunteer or gather more information please contact Holly Karasinski 616-901-8882, hollyk2234@gmail.com or pto@adachristian.org. Look for updates in the Ada Connection Newsletter each Wednesday, and check out our website at <https://www.adachristian.org/about-ac/pto>.

Our group meets monthly to discuss upcoming events, plan fundraisers to enhance all programs and share ideas. All are welcome to attend. This is a wonderful way to find out what is happening at our school through the perspective of the PTO. We truly believe that our diligent service enhances the learning environment of our children, and along the way we are blessed to develop lasting friendships and create great memories ourselves, all while responding to a call to serve. We’d be honored to have you join us!
