

## ACS "FAITH. STRONG." CLUB

### Chess with Mr. Hoo

Chess is timeless and the greatest board game on earth. Who knows – someone from ACS may someday be a Grandmaster (the most elite players on the planet). This club will help members learn and improve. Some basic openings and strategies will be taught and practiced. It seems like a complex game but everyone will learn, improve, and have fun!

For those that want, we will participate, as a club, in a couple of tournaments We've done (and done remarkably well) to Hope College for a youth tournament in March. I've already been in touch with the Holland Chess Club and after a break last year they are eager to host it again.

The kids will play at least two games every session and work towards a Gold, Silver or Bronze chess club medal. Popcorn and a beverage will be part of the fun. Each session will go from 3:00-4:15. Kids are welcome to stay until 4:40 to play pick up games with Mr. Hoo or other kids.
