Grand Rapids Academic Summer Programs

Dear Parent:

We have made arrangements to acquire the GRASP program for you this **summer**. GRASP is a correspondence program for grades K to 8 which helps students **maintain reading and math skills** while they are on summer break.

Children receive a packet of materials with a booklet containing 9 lessons. It takes approximately one hour to complete each lesson. Students submit one lesson a week starting June 10<sup>th</sup> through August 5<sup>th</sup> which is the final submissions deadline. They mail the lessons to GRASP in provided envelopes where they are scored and returned to the children with comments.

**We also have an on-line version of GRASP for students in 4th to 8th Grade. These students will receive feedback immediately.**

Children successfully completing at least 7 lessons with 70% accuracy are awarded a certificate. Those successfully completing all 9 lessons with 70% accuracy receive a medal! **Certificates and medals will be distributed by your school.**

When registering, select the grade your child is just completing so they review material they learned. If your child is ahead or behind grade level, order the appropriate level. The fees for the summer of 2022 are \$26 for one subject or \$48 for both subjects for each child. You can enroll your child by completing the form below and paying the indicated enrollment fee.

THE FORM AND FEE SHOULD BE RETURNED TO SCHOOL NO LATER THAN APRIL 22, 2022.  
All materials or login information will be sent home with the child by the last week of school.
