Parents of students in 5th-8th grade will have the opportunity to visit with each of their student's teachers in the North Gym. No sign up is necessary. Our middle school teachers conduct a "Round Robin" style of conference, with each conference lasting about 3-5 minutes. You will find each teacher at a table in the North Gym. If you feel that this timeframe will not be sufficient, please contact the specific teacher in advance to request another time for a longer conference.
